¹ Torsen LSD: Torsen is a registered trademark of JTEKT Inc. ² SRS: Supplemental Restraint System. Effective when used in conjunction with seat belts.

BUILT FOR ACTION POISED FOR EXCITEMENT

THE ALL-NEW BRZ

A PURE SPORTS CAR EXPERIENCE.

Introducing the all-new Subaru BRZ. With more power, torque, and acceleration, the Subaru BRZ provides better handling, better balance, and a more exciting sports car experience backed with the reliability and safety of a Subaru.

LED Headlamps

Be seen during the day and see well at night with the all-new Subaru BRZ's iconic C-shaped, full-LED auto-levelling bifunctional headlamps.

18-inch Aluminium-alloy Wheels & Tyres

The matte dark grey metallic wheels provide excellent driving performance for a sportier and more enjoyable driving experience.

Twin Tail Mufflers

The sporty tail mufflers handle higher engine output while being lighter. The exhaust pipe takes a more direct route with less detours to make it shorter.

WHERE POWER MEETS ENJOYMENT

Step into the cockpit of the all-new Subaru BRZ to experience the next generation of sporty performance coupled with convenience and comfort.

1 Leather-wrapped Steering Wheel

O2 Combination Meter with Multi-information Display

Genuine Leather and Ultrasuede*1 Seats

GEAR UP WITH SUBARU CORE TECHNOLOGIES

Subaru's core technologies provide every Subaru with the performance, comfort, safety, and reliability that deliver enjoyment and peace of mind to every passenger.

Subaru Boxer Engine
The all-new Subaru BRZ is
powered by a 2.4-litre D-4S'2
Subaru Boxer engine that's
placed lower for an even lower
centre of gravity vehicle to
deliver exceptional handling
performance that stays

balanced around turns.

Subaru All-Around Safety

With the latest in collision protection and core technologies, Subaru continues its 'people first' policy by improving All-Around Safety and envisions an accidentfree future.

SRS*3 Airbags

Subaru EyeSight Driver Assist Technology

EyeSight^a, Subaru's cutting-edge driving support system, works like a second pair of eyes for the road ahead.

*2 TOYOTA D-4S is a trademark of Toyota Motor Corporation. *3 SRS: Supplemental Restraint System. Effective when used in conjunction with seat belts.*4 EyeSight is a driving support system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving and observance of traffic regulations. System effectiveness depends on many factors such as vehicle maintenance, weather, and road conditions. See Owner's Manual for complete details on system operation and limitations for EyeSight including functions in this brochure.
